Foreword

CARRY ON!

It's easy to fight when everything's right,
And you're mad with the thrill and the glory;
It's easy to cheer when victory's near,
And wallow in fields that are gory.
It's a different song when everything's wrong,
When you're feeling infernally mortal;
When it's ten against one, and hope there is none,
Back up, little soldier, and chortle:

And so in the strife of the battle of life
It's easy to fight when you're winning;
It's easy to slave, and starve and be brave,
When dawn of success is beginning.
But the man who can meet despair and defeat
With a cheer, there's the man of God's choosing;
The man who can fight to heaven's own height
Is the man who can fight when he's losing.

*Go Ann — I hope next year
will be one of your best.
Good luck,
W. F. Otto.*

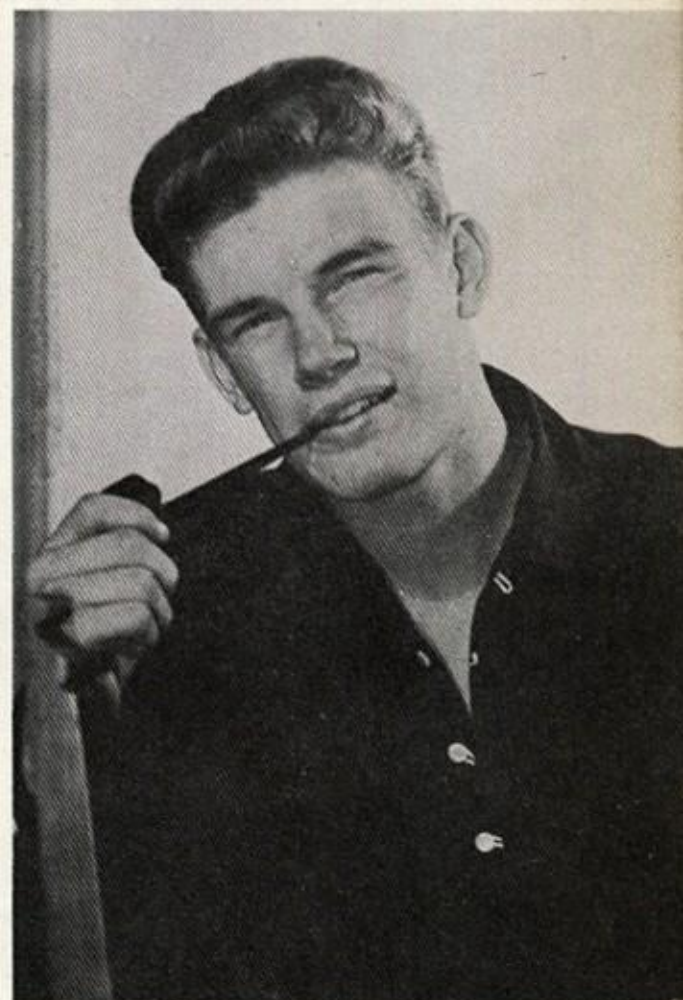

High School

We, the staff of the 1961 Viking Yearbook respectfully dedicate this book to Mr. Wilbur F. Otto, the first principal of Northview High School.

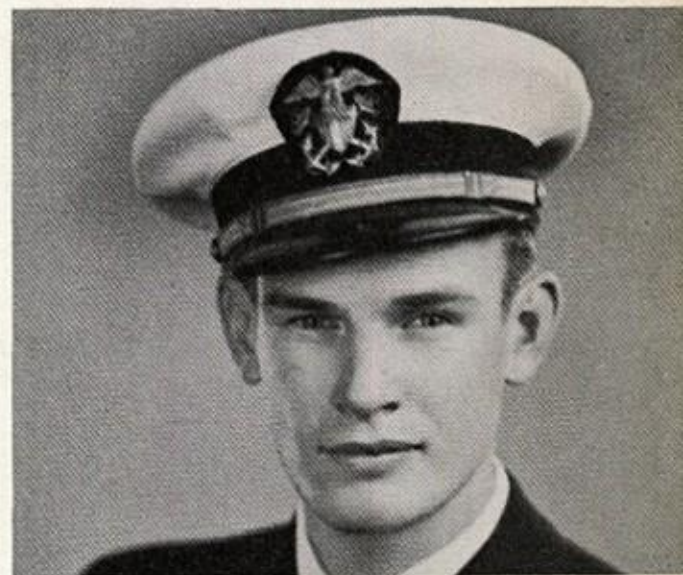

Mr. Otto was born in Modesto, California. After graduating from Downey High School, where he was elected Student Body President, he attended Pomona College for one year and then transferred to Cal Poly at San Luis Obispo. He then attended the University of California at Davis where he received his B.A. degree. Mr. Otto recently was awarded his M.A. degree in Administration from Los Angeles State College.

With most of his necessary schooling behind him there came another important step in Mr. Otto's life. He enlisted in the Navy for four years and served as a lieutenant. He is married to Lois Beverly Haueter and they have four children. Before coming to Northview, Mr. Otto was a teacher of agriculture and in 1954 was appointed Vice-Principal at Covina High School.

Good fortune has been with Mr. Otto through his "Milestones of Youth" and now the good fortune is ours in having a principal with a friendly smile, a pleasing personality, a sense of humor, and who always has helpful advice for teachers and students alike. It is with great admiration and appreciation that we dedicate this 1961 Yearbook.

As the old progresses to the new, the Covina School District has been reborn The Covina-Valley Unified School District. The Board of Trustees, working with the Administration, has met the challenge of an ever growing school district with hard work. They have spent many hours and given much thought to the strengthening of the Covina-Valley Unified School District. With a growing concern for our students, they have made every effort to provide fine facilities and an excellent staff of educators.

Wilbur F. Otto, Principal

For the second time we review the year's significant achievements at Northview High School. We turn these pages with pride as each picture reflects the true Viking spirit and indomitable drive so evident with each undertaking. As we stand on the threshold of our third year we salute those students who will return to form our first senior class. We look to them with respect and appreciation for the work and spirit they contributed to the progress of Northview from its inception to the present. Let us all continue to share in the steady march for truth and knowledge so that we can face our challenges with the same confidence and enthusiasm that are reflected in this pictorial summary of another good year.

Helen F. Burwell, Girls' Assistant Principal

The first two years of our school are now completed! What an opportunity and a challenge it has been to those students here at Northview! History has truly been in the making. It has been you, who are now on our campus, who have laid the foundations for our future generations of high school students. So many "firsts" have been yours to establish. You have, through careful thinking and planning, organized Northview's first student government, the first club program, the first athletic program—achievements too numerous to mention. You have accepted the challenge of developing a new school. With continued able leadership by our fine Principal, Mr. Otto, Northview's horizons are unlimited.

James A. Snyder, Boys' Assistant Principal

Northview High School had its beginning in September of 1959. At that time there were no new buildings, no new campus, and no traditions. The students and faculty had only a strong desire to succeed as a common goal. The 1960-61 school year is the product of that goal. The tremendous success achieved is due to our strong desire to succeed, but it is also due to more than this. It is due to the excellent leadership of our Principal, W. F. Otto, and his interest and concern for the best for the students and faculty of Northview. Secondly, the abundant amount of loyalty, strength, determination, and pride which our Viking students have displayed during this year have played no small part in the establishment of traditions which bind us together. Northview High School is far in the lead of the race for being the **best**.

LANGUAGE LABORATORY

During September the Language Laboratory went into operation. In the above picture we see Mr. Maine working with a class in first year French. A tape has been prepared by the teacher, in French, and the students are listening to the exercise. Later they are questioned on what they have heard. The teacher may communicate with each student separately or as a group. It is also possible for the students to communicate with each other.

CLERICAL STAFF

Quietly working behind the scenes with tireless efficiency are our secretaries and clerks who see that many different tasks are fulfilled. Without their contribution none of our offices or the library could function effectively. Not only do they accomplish their regular work but are always willing to lend an extra hand to students and teachers alike. Left to right: Ruby Owens, Janet Stangland, Doreen Mertz, Dorcas Pavelko, Mary Lou Thomas, Inez Beebe and seated, Margaret Holden.

STUDENT HELP

The student store is maintained for the convenience of all who attend Northview. Serving the student body in providing this service are, from left to right: Joe Gibson, Paul La Mere, Tom LaBerteaux, Chery Brogdon and Bob Kingan.

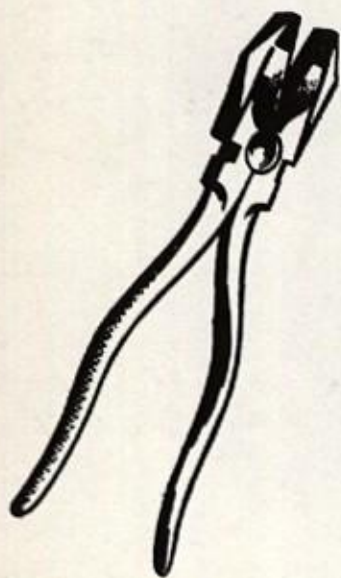

CAFETERIA STAFF

In January our competent Cafeteria Staff moved into our new cafeteria. Arriving at school early and staying late these women are among the hardest working on our campus. We are deeply indebted to them. Left to right: Gladys Fibiger, Jean Brown, Mgr., Eleanor Douglas, Norma Carmichael, Audrey Johnson, Glenna Burlingame, Louise Early and Marietta Swain.

CUSTODIAL STAFF

We owe a great deal to our efficient custodians. Although they work long hours and are kept busy seeing that our campus is clean and in good repair they are always willing to lend a helping hand—quickly, well and with a smile. Left to right: Noble Garner, Maxine Fink, Robert Spain, Harold Dillrance and Joe Primm.

Student Government

Student

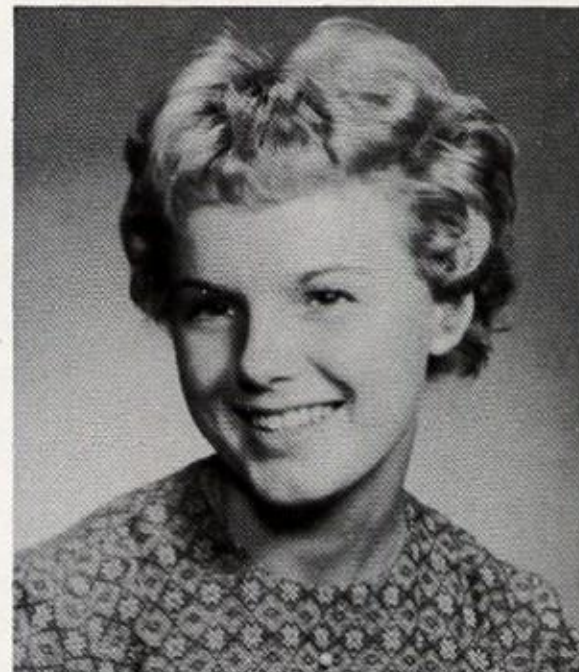

I would like to take this opportunity to thank the Junior, Sophomore and Freshman classes for their co-operation throughout the 1960-61 school year. In the span of two years Northview has risen from a mere idea to a reality. This would not have been possible without the co-operation of all those involved in making our school the best ever. Also, in behalf of the students, I would like to express sincere appreciation for the fine administration and faculty Northview is so fortunate to have. I am proud to be able to say that you, the Student Body, chose me for the honor of being your Student Body President. We are all proud of Northview High School.

Class Council

JUNIOR

The object of the Junior Class Council is to represent the Junior Class, to promote school activities and school spirit. This year the Council sponsored the second annual Slave Sale, the Talent Show, sock-hops and our major project, the Senior Quad.

SOPHOMORE

Planning activities which would promote school spirit was the Sophomore Council's major goal. Among these activities the Council sponsored the first dance at our new school following the Pomona Catholic-Northview basketball game and the St. Patrick's Day dance. Another major job of the Council was selecting the choices for class rings which were then voted upon by the entire Sophomore class.

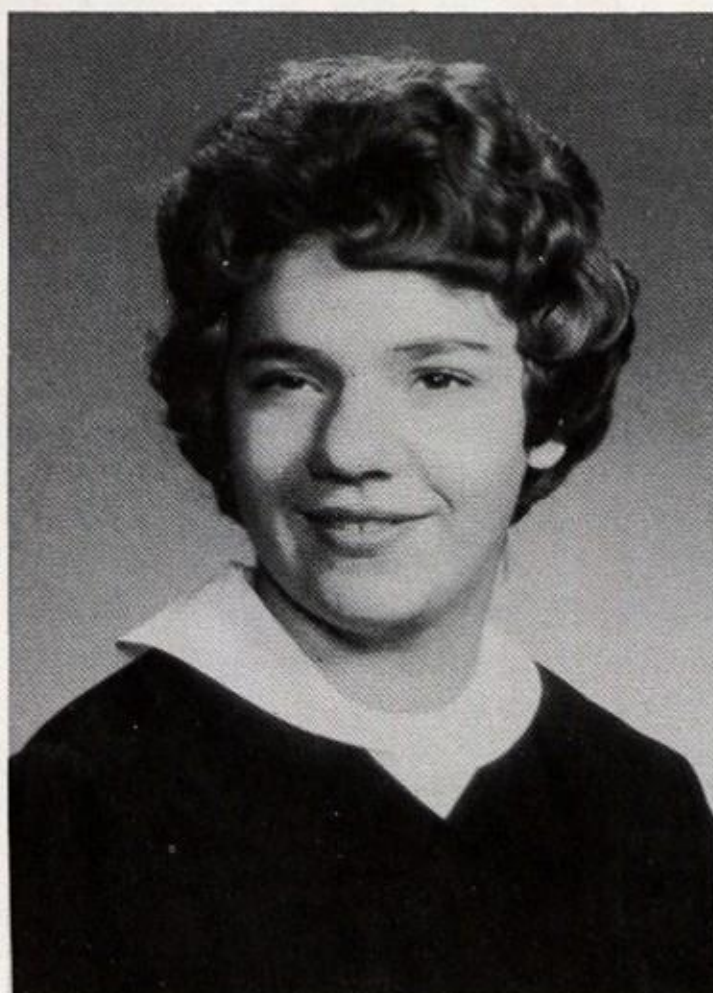

FRESHMAN

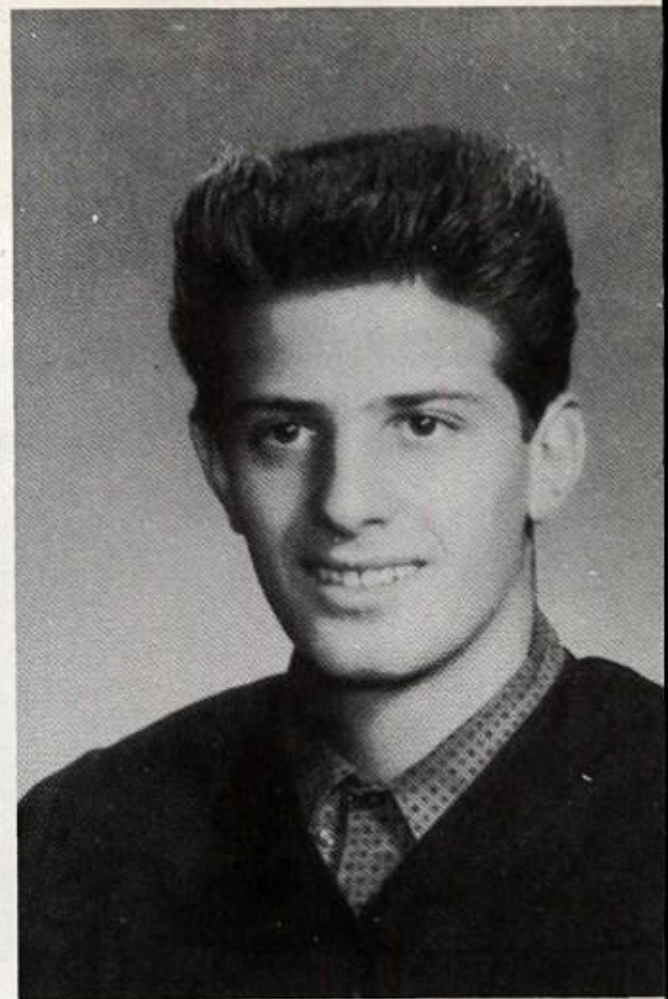

The primary objective of the Freshman Class Council is to acquaint the class with Northview High School and to interest its members in becoming active on the campus. During this school year the Council has sponsored a Hay Ride and a Derby Hat sale.

Viking Yearbook Staff

The Viking Yearbook offers opportunities for students of Northview High School to put forth their best creative efforts. It is their task to preserve, in a permanent record, an account of the events of each year. Under the guidance of Mrs. Pauline Richter, sponsor, the staff receives valuable experience in organizing and producing this book and, above all, in taking responsibility and working together.

SUE WILLIS, Editor-in-chief

One day each month finds students deeply engrossed in the most widely read publication on campus — the Valhalla.

Prior to the first issue in November the 14 staff members were busy learning how to write leads, news stories, features, editorials, sports stories, interviews and headlines. Mr. Myers, the staff advisor, also covered the importance of MEETING THAT DEADLINE!

The Valhalla, which means Viking heaven, is the first official Northview student publication that is professionally printed with photographs. Future plans include having the newspaper printed on the campus by print shop students.

Popular Valhalla features included club news, jokes, classy chassis, new teachers and an exchange column. The newspaper was pressed this year to find sufficient funds to cover publication costs. The main problems of the year—receive money necessary to keep the Valhalla growing and expanding in pace with the student body. In an attempt to raise funds the staff sold football schedules and school pennants.

Clubs

Thorians

The Thorians is the girl's service club. During the year they have sponsored a Thanksgiving food drive, a "Pin on Dance" for new members, a hay ride for the Neophytes who completed their duties initiation week and a Spring Fashion show which was open to the public.

Thorian officers for the year 1960-61 were the following: President, Susie Willis; Vice President, Nanci Crutchfield; Secretary-Treasurer, Lynn Bowers; and Recorder, Kathy Greer.

The Normans are the boy's service club, dedicated to the welfare of Northview High School. Through the year they have supported school programs, and served as guides for open house. They are also responsible for the Northview Alma Mater being painted in the gym.

The officers are: President, Ray Ramsey; Vice President, Mike Erne; Secretary, Joe Shafer; Treasurer, Doug Walker; Sergeant at Arms, Mike Millington.

Normans

Chess Club

Northview's own chess club (known as, "Ye King's Knights") was founded at the old campus in 1959. From an original five members, the club gradually grew by the Spring of 1960 to 14 members. The current size is now 24 paid-up members.

Members receive 100 points for attending meetings, plus additional points for helping out at club activities. At the end of the year, points are added up and those with highest totals are rewarded by the club.

President, Alan Armstrong; Vice-President, Jim Walker; Secretary, Les Parrish; Club Treasurer, Bill Zsiga.

Creative Writing Club

This year the Creative Writing Club published the Viking Log. It contained short stories, poems, and essays written by the students of Northview.

The officers are: President, Stephanie Fredericks; Business Manager, Sharon Tolleson; Secretary, Jon Dunham; Editor, Karen Phillip; Assistant Editor, Nancy Mraz.

Science Club

Developing new ideas in Science was the main goal of the Newtonians, or Science Club. Along with this goal, the members were involved in many activities, which included field trips to Griffith Park Observatory, Cal-Tech, and several exploratory hikes in the mountains. A dance was also sponsored by the Newtonians. Officers include President, Tom Stucker; Vice President, Richard Mayling; Secretary-Treasurer, David Pitzl; Advisor, Mr. Witt.

Art Club

The Art Club was organized this year to be of service to the school and to further the art interests of its students. Their activities have included a trip to Art Center to hear a program and see an exhibit on "Career in Art," purchasing and decorating a tree for City of Hope for Christmas; and making posters for school events. In the future we plan to see more art exhibitions and pursue individual interests in the arts and crafts field.

C.S.F.

To belong to the California Scholarship Federation is the ultimate for the academic student. Only an outstanding pupil can become a member of this organization. Students must receive at least ten grade points to join. Three points are given for each academic A, one point for each B. In unprepared subjects an A is worth $1\frac{1}{2}$ points and a B, $\frac{1}{2}$ point. Points are also given for extra curricular activities.

The C.S.F. seal on a diploma is the key that opens the door to college. Members receive special privileges while in high school and college.

Each semester members are given an "Honorary Day" when they are excused from all classes to go sight-seeing.

Drama Club

This past year "The Northview Players" have formed in order to learn of all the facets of drama. With the help of Mr. Burgess and Mr. Dunn we have been able to delve into the directing, acting, producing and stage managing of the theater. Within the club itself we have put on small skits and one-act plays and have been able to attend a number of dramatic productions.

The first play presented at Northview, "And Never Been Kissed" was put on April 7th in our cafetorium and was received with great enthusiasm.

This year's officers are: President, Angel Consolo; Vice President, Joy Tess; and Secretary-

74 Treasurer, Janet Lambardo.

Debate *BP*

The Northview Debate Club promises to be one of Northview's future highranking clubs. This year members layed the groundwork for a full-fledged club, by having public school debates on school matters. They also formed interschool debates with nearby schools.

Officers include: Chairman, Gary Schultz; Assistant Chairman, John Gabriel; Secretary, Julie Simmons; Parliamentarian, Barbara Papke; Advisor, Mrs. Gerstung.

Jr. Statesmen of *BP* America

The Northview Charter of the Junior Statesmen was founded in 1960 and is a member of the California Junior Statesmen. The organization gives high school students the experience of government participation. During the year the club held various conventions where the clubs form a congress and pass or reject bills put before them.

Great assets to the club are our advisors, Mr. Hovenier and Mrs. Gerstung; our President, Gerry Hanmer; and our Treasurer, Tony Hessler.

Future Business Leaders of America

The Future Business Leader Club of Northview High has successfully completed its first year as a newly organized club. We have enjoyed many business experiences together such as visiting Shell Oil Co. in Los Angeles.

We have had many speakers this year but probably our most enjoyable one was our own Mr. Hepburn.

A group from our club went to the Business Convention in Sacramento along with our sponsor, Mr. Taylor. We had an enjoyable trip, listened to many good speeches, and met and talked with many business executives.

Future Teachers of America

The Northview Future Teachers Club is serving the double purpose of helping its members learn more about their chosen careers of teaching and coaching, and serving America by providing her with teachers to educate her people. The officers and members are doing everything in their power to make the club one of Northview's strongest, most respected organizations.

The officers are: President, Kendra Mallinson; Vice President, Diane Burnham; Secretary, Stephanie Frederick; and Advisor, Mr. Cousins.

Future Homemakers of America

The Future Homemakers have gone on many field trips; they have had various demonstrations which were of club interest; they also helped with many P.T.A. programs. The club motto is "Toward New Horizons."

The officers are: President, Stephanie Bagwell; Vice President, Carlie Vervick; Secretary, Sue Nickols; Treasurer, Mary Atherton; Publicity Chairman, Carol Brice; Historian, Bonnie Smith; Parliamentarian, Mary Kay Kemp; Club Advisor, Mrs. Kathleen Clay.

Future Nurses of America

The Northview Nurses Club is a club to promote nursing to the high school age girl. The club has many and varied activities. The active membership attends teas at hospitals and other schools. We've even been aboard the U.S.S. Haven, and U.S. Navy hospital ship. The club also has community service projects such as making tray favors for children's hospitals. The club has also helped with on-campus medical and dental clinics. Club advisor: Mrs. Martha Winterbourne.

French Club

The French Club has enjoyed learning about French culture and customs. Along with this they have become more familiar with the French language. In late Spring the club held a party which proved to be a great success. The emblem of the French Club is the fleur-de-lis of France. On this emblem are the initials L.C.F. which means, Les Coquettes Francaises.

The officers include: President, Penny Winn; Vice President, Charlene Klemptner; Secretary, Rayna Eisner; Treasurer, Janet Lombardo; Social Chairman, Sue Mallon.

Spanish Club

"Los Companeros," the Spanish Club, had as its main purpose the enjoyment of Spanish and Latin American culture. Under the leadership of President Gloria Stephens, V.P. Elvira Casillas; Secretary-Treasurer, Kathleen Olson, and Activities Chairman Betsy Acree, the club held bi-weekly meetings at which various types of interesting programs were presented. Major activities planned by the club during the year were dinner at a Mexican restaurant, a trip to Olvera Street on the Fifth of May, (the Mexican national holiday), and the sponsorship of a trip to Pauda Hills for all the Spanish classes.

Latin Club

The Latin Club is composed of a group who wish to learn more about the Roman culture and also combine this with social activities. The club produced a skit called "The Operation" in late January. In spring, they put on a Roman banquet for its members, and the decor was as close to ancient Roman as possible.

The officers are: President, Nick Gullo; Vice President, Jack Dwyer; Secretary, Mike Doyle; Treasurer, Mary Ann Atherton; Special Chairman, Stephanie Stephons; Advisor, F. A. Maine.

Viking Pep Club

The Viking Pep Club has helped in making Northview's pep and school spirit the best. The Pep Club is divided into three separate committees. Working hard to get information about coming events, is the active Poster Committee. The Social Committee, by planning many Social Activities, has helped the Viking Pep Club financially. Last but not least, is the "peppy Rally Committee," making sure that there is a rally every other week, during Football and Basketball. The officers presiding over the Viking Pep Club of 1960-61 are: Susie Clark, President; Kathy Barron, Vice President; Dede Ambord, Secretary; Barbara Metcalf, Treasurer; and Tonie Osborne, Sergeant at Arms. Mr. Ulery is the Advisor.

Lettermen Club

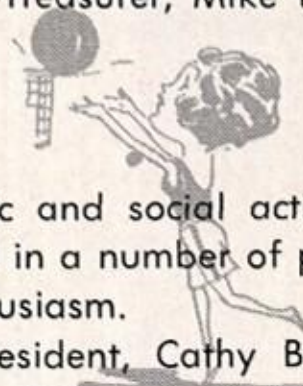

The purposes of the Viking Lettermen Club are to promote interest and participation in athletics, to instill leadership and sportsmanship in the members and the student body, and to promote good citizenship and work for the betterment of Northview High School. One of the main projects of the Lettermen is to provide a fund to be used for the under-privileged potential athlete.

Officers are: President, Dave Migdal; Vice President, Steve Vass; Secretary-Treasurer, Mike Brookins; and Sergeant at Arms, Larry Wylie.

G.A.A.

The purpose of the Girls' Athletic Association is to create, through athletic and social activities, a spirit of democracy and good sportsmanship. The G.A.A. has participated in a number of playdays against G.A.A.'s of neighboring schools and have truly shown their enthusiasm.

The following are officers of the G.A.A.: President, Bonnie Kasten; Vice President, Cathy Billmeyer; Secretary-Treasurer, Jo Marie McCollum; Historian Publicity, Karen Dunn; Sergeant at Arms, Jan Mohr; Advisor Miss Davis.

Bowlerettes

The major goal of the Viking Bowlerettes Club is to help the members become better bowlers and relax and have fun while doing so. The Bowlerettes this year have bowled two games each day of the league while competing team against team. There have been many improvements throughout the year and some members have even received trophies.

The officers of this club are: President, Judy Willy; Vice President, Chery Brogden; Secretary, Nancy Croxdale; Advisor, Miss Davis.

Viking
Drill Team

Band

This is your Viking Band! It has performed at the football and basketball games and many of the pep rallies. They were a great contribution to the school spirit of Northview. The band represented the school in about three parades and has performed in two concerts. They also went to the U.C.L.A. Band Day and to a Band and Orchestra festival.

The people elected to office to represent your band are: President, Billie Oglesby; Vice President, Jim Chapel; Secretary, Vicki Burke; and Dennis Henderson. Thank you band for a job well done.

In this year, '60-61,' the Viking Drill Team was officially active for the first time. They participated in school and community activities, including parades, football and basketball games. They are proud to be the only drill team in Covina, that traditionally supports their basketball team with performances. The Vikings and their Drill team will always be remembered for the Annual Covina Christmas Parade in which they won first place.

The head leader is Connie Merrit; assistant, Betty Rogers; faculty advisor, Mrs. Thompson.

Drill Team

Girls Glee Club

The Girls' Glee has had an outstanding first year as a new member to the Northview choral organizations. The first appearance of the Glee was in the Christmas Assembly. Since that time the Glee has taken part in concerts for several Civic organizations, Northview Assemblies, and evening concerts.

The Northview High Boys' Glee, has just finished its first full year of choral work. The boys have sung for assemblies, the Boosters Club, and for P.T.A. The boys have done a fine job this year in presenting music to the student body. The highlight of the year for the Glee was singing with the Los Cantadores, the nationally famous boys ensemble, from El Monte High. Each boy wishing to enroll in the Viking Choir shall have to have at least one semester of boys' glee. The boys are looking forward to an ever-growing variety of concerts in the coming year.

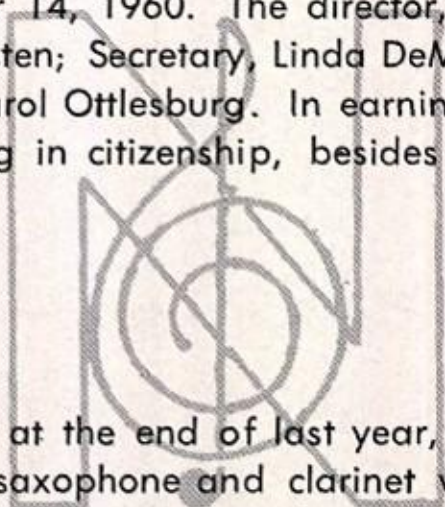

Boys Glee Club

Choir

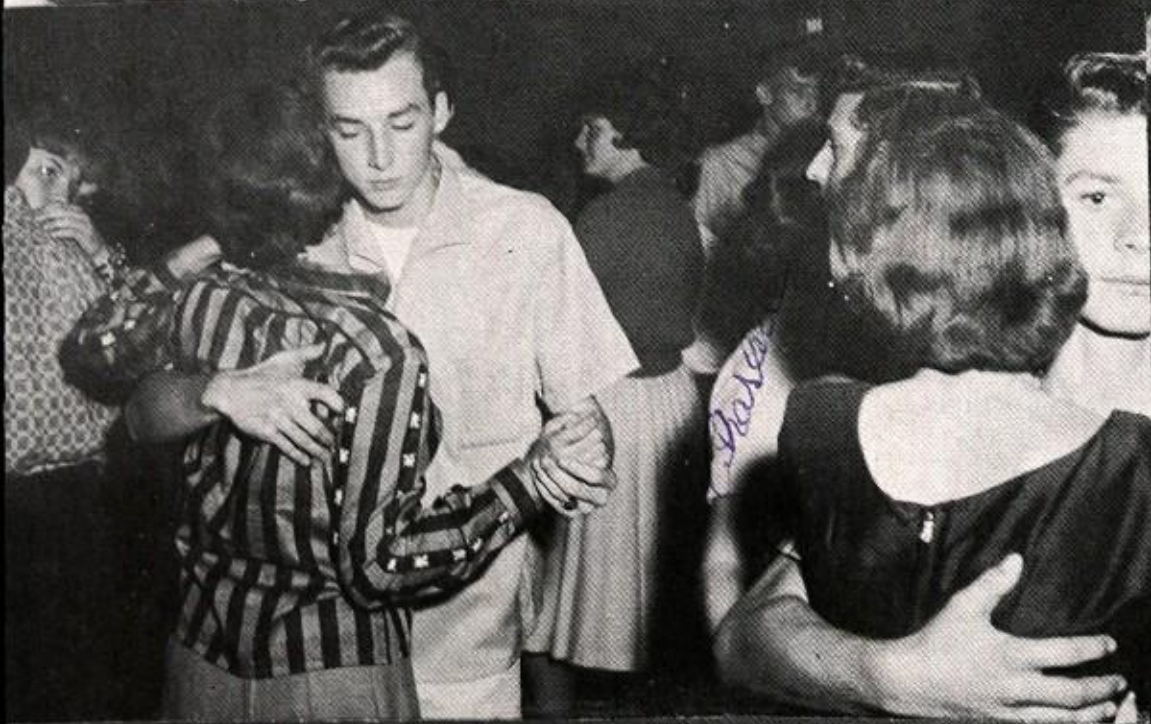

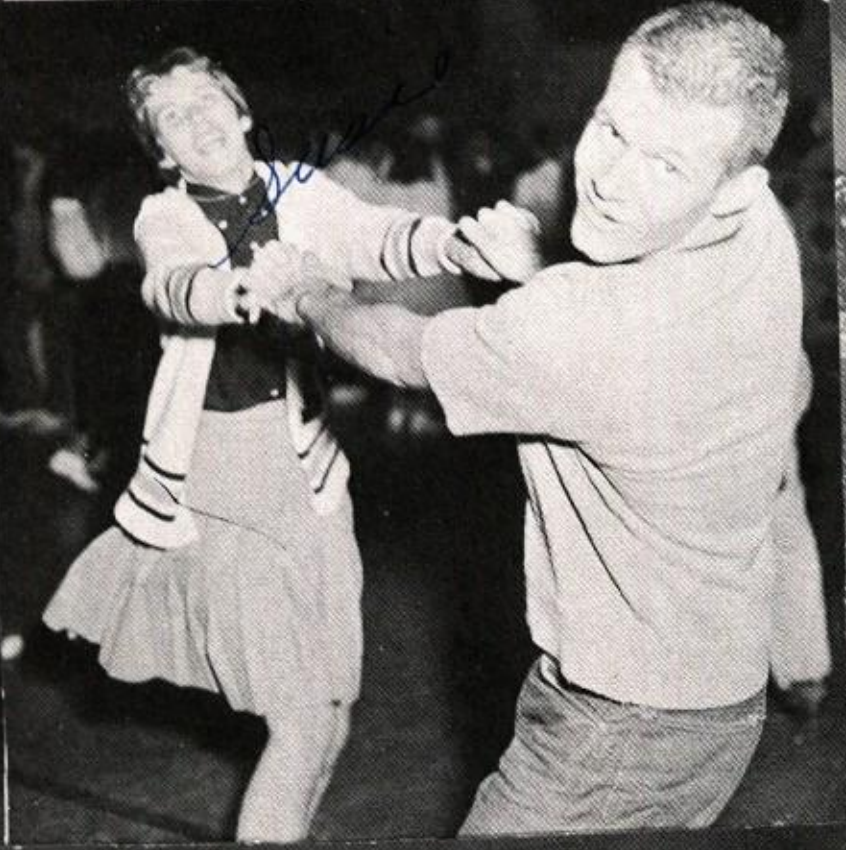

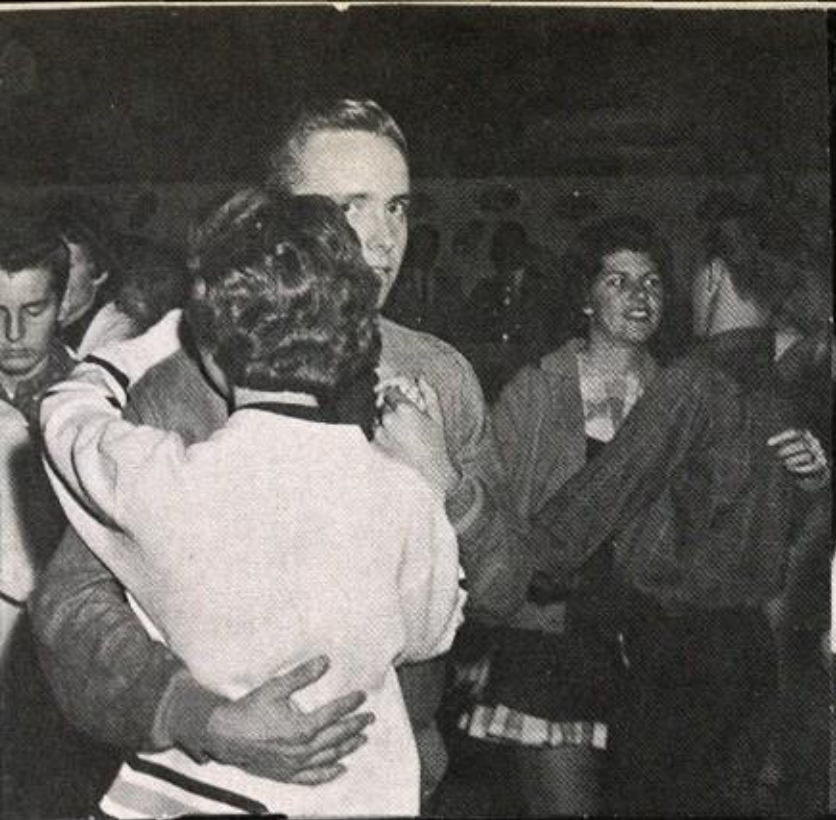

This choir has had a very exciting and full year of activities which included singing for many organizations, sponsoring assemblies and dances for the Student Body, and attending their first festival for judging. The choir robes, gold, with white and black, were worn for the first time, when the Viking Choir sang for the Covina Coordinating Council, December 14, 1960. The director, Mrs. Bourquin, is assisted by the following officers: Concert mgr., Bonnie Kasten; Secretary, Linda DeMont; Librarian, Karen Duckworth; Publicity, De De Ambord; and Robe Chairman, Carol Ottlesburg. In earning letters each individual has to obtain an 'A' in scholastic grade and outstanding in citizenship, besides attending every rehearsal, concert, and activity planned for the group.

The school Dance Band, newly formed at the end of last year, has about 15 members. The director, Mr. Messenger, who used to play his tenor saxophone and clarinet with a dance band in earlier years, has done a tremendous job with the group. The Dance Band made its first appearance at the dance sponsored by the Music Department and an assembly on a later date. The group hopes to play for a dance annually, so good luck Dance Band.

The Viking basketball team enjoyed a successful season in this first year of varsity competition. They played many of the better teams in the area and were fortunate enough to emerge victorious in about seventy percent of the contests. They didn't score less than forty points in any game and they scored in the sixties in many of them. Because of a better than average record the Vikings were invited to play in the California Interscholastic Federation playoffs. The valuable experience we gained this year will enable Northview to enter Mountview League next year with confidence. Northview High School should be proud of their very fine 1960-1961 basketball team.

This has been the best years of all
my years in high school. We have had our problems
we've had a lot of fun together even if we haven't
gone over out much. You have shared my way of
thing in many ways and I am glad of that.

I know we are both young and have a long ~~left~~ life in front of us but I hope the same day when we get older and you still feel the same way about me ^{there} and a letter more. ~~that~~ I hope we can get married. But you ~~see~~ and I both have to finish school. I can't thank of muse more to say but I am glad I have ~~you~~ ^{you} ~~friend~~ ^{friend} ~~going~~ ^{who} instead of some other girl. I hope you can read my writing and I hope you and Lauren, Paul & can stay friends for a long time. I hope you and your ~~parents~~ ^{friends} can get along for a long time. I have many thing to say but I can't put them in words for I can say them be I can't write them.

I hope that you can have everything you would like to have.

Love you always
and ever

Joanne,

You and I have always been the best of friends, and I hope it stays that way. Out of all the times we've been together, I've never been at a loss for words. That is not until now.

We sure have had a panic this year. What we've gone through!! But it's been fun. Always on the go. This year is sure a lot different than last year. I guess it was 'cause you and Mike are going together. Speaking of Mike, I want to wish you two the best of luck always. I hope for the best for both of you.

Joanne, in the future, I hope we have as much fun as we have had this year.

Best of Luck Always, and stay cool.

Love Always,
your friend
Lauren
